

The Norfolk Lodge

Hotel

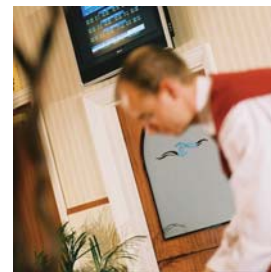

ST. HELIER, JERSEY

One of St Helier's most successful hotels, the Norfolk Lodge is always a good choice for a comfortable and sociable Jersey holiday.

This 101 bedroom traditional hotel is subject to an annual assessment by AA hotel inspectors and has been awarded a two star grading by this respected body. Situated on a large landmark site in one of St. Helier's best residential areas, the hotel is only half a mile from the town shops and beaches and is easy to find if travelling independently.

The strengths of the hotel include its superb indoor swimming pool complex, the purpose built playground for young children and, of course, the regular evening entertainment provided from May to September inclusive. The hotel has been in our

ownership for many years and has seen continuous investment in its bedrooms and amenities. It now boasts a large number of single bedrooms.

A full English buffet breakfast is offered and a freshly prepared menu each evening.

Most unusually for St Helier, the hotel provides a 50 space car park which is an amenity of great value for guests staying with us.
