

# The Samarès Coast

Hotel and Apartments

## ST. CLEMENT'S, JERSEY

Situated on the south coast in a prime sea front location and boasting fantastic private award winning gardens, the Samarès Coast provides you with all the ingredients for a restful and enjoyable Jersey holiday.

This appealing hotel offers you superb views and access over St. Clement's Bay, a 'Ramsar' coastal wetland area of international importance, yet it is only a few minutes from St. Helier by car or bus. Large hotel car park.

Many guests return year after year to the hotel. Its fifty bedrooms are comfortable and are subject to an annual assessment by AA hotel inspectors where it has been awarded a three star grading. In addition, there are twelve popular serviced apartments that are set above the superb gardens and outdoor pool area.

Another enjoyable feature is the indoor leisure complex that overlooks the outdoor swimming area and hotel gardens. Facilities include spa bath and steam room as well as a modern mini gym, containing rowing/step machines, exercise bikes and weights.

The hotel pays particular attention to its catering. The restaurant serves a full English buffet breakfast and a freshly prepared menu each evening. Marine views over the bay from the restaurant are superb.

A bar menu is available each lunchtime in the main hotel bar and an outdoor pool bar is opened on fine days where our attentive staff serve informal lunches in the gardens.

The hotel itself has seen continuous investment over the years with emphasis always being very much on quality. Quality is our brief to the staff at the Samarès Coast.
